# ARNOLD'S EXPEDITION TO QUEBEC,

1775-1776.

At a meeting of the MASSACHUSETTS HISTORICAL SOCIETY, held April 15, 1886, Hon. MELLEŒ CHAMBERLAIN described a journal of Captain Henry Dearborn in 1775-1776, belonging to the BOSTON PUBLIC LIBRARY, which relates the sufferings of the men who marched from Boston through the wilderness to Quebec, and narrates the attempt to capture the city which followed.

*A Journal kept by Cap<sup>t</sup>. Henry Dearborne,<sup>1</sup> of the Proceedings, and Particular occurrences, which happened within my knowledge, to the Troops, under the Command of Colonel Bennedict Arnold, in the year 1775 Which Troops were detached from the American Army Lying before the Town of Boston, for the purpose of marching to, and taking possession of Quebec:—*

Said detachment consisted of Eleven hundred Men, Two Battalians of Musket-men, and three Companies of Rifle-men as Lighte-Infantry.

<sup>1</sup> Henry Dearborn, of New Hampshire, who was in the military service during the Revolution, from the breaking out of hostilities in 1775 to the close of the war, kept journals of many of the transactions in which he participated. Some, if not all, of these are extant. Several are in the Boston Public Library, having been purchased at the sale of the manuscripts of the late John W. Thornton, who was executor of the will of Henry A. S. Dearborn, the son of the journalist. Two of Dearborn's journals are in private hands,—one covering the period of

So far as I have seen them, these journals, with one exception, are in Dearborn's handwriting. The exception is the journal which follows. But that it passed under his eye is evident from several additions and corrections from his own hand, that are indicated in the footnotes to the text. Dearborn was a man of some education and of great intelligence. He usually expressed his thoughts in good English, and could commit them to paper with accuracy and in a good handwriting. These facts beget a doubt whether I should have followed the vagaries of the copyist in orthography, punctuation, and the use of capital letters. But I have done so with fidelity, even to the omission of obvious words, so far as a twofold comparison of the copy with the text would secure an exact transcript of the journal. — M. C.

Mc.Cormick was Try'd by a Court Martial and Condemn'd to be hanged, He abstainately denied the fact until he was Brought under the Gallows where Confess'd the Crime — but for Some reasons was reprieved, until the pleasure of Genl Washington could be known.

23 We Continued our March, tho. very slow by reason of the Rapidity of the Stream. a very unlucky accident happen'd to us today, the most of our men by land<sup>2</sup> miss'd their way and marched up a Small river, Which Comes into the Dead River, a few Miles a Bove where we encampt last night, We fancied they took a Wrong Course, I Sent my Batteau up that four miles (where they that went in it) found the foot people had Cross'd the River on a Tree, and had Struck a Cross for the dead

River, my Batteau Came Back, and we proceeded up the River to a Carrying place, where we found our foot-men at the foot of these Falls, Several Batteaus overset, which were entirely lost, a Considerable quantity of Cloathing, Guns, and Provisions, our march to-day we Judge, to be, about 8 miles — here we held a Counsel, in Consequence of which we Sent Cap<sup>t</sup> Hanchet and 50 Men forward to Shadear as an advanced party, and Sent Back 26 . . Sick-men under the Command, or Care of an officer and Doctor.

24 At 10 . . O, Clock, we proceeded up the River, tho with a great deal of difficulty, the River being very rapid, This days march don't exceed four miles.

25 Continued our Rout up the River, the Stream very rapid, We pass'd three Carrying places, Two of them four Rods and the other 90, our march to-day 6 miles and then Encampt, . . . 26 Continued our Rout and Came to a Pond 2 miles a Cross and then Came to a narrow gut <sup>1</sup> 2 Rod wide, and four rod Long, and then to another Pond one mile over, then to a narrow Streight, 1½ miles Long, Then a third Pond 3 Miles over, Then pass'd another Streight half a mile Long, and then enter'd a fourth Pond a Bout a quarter of a Mile Wide, then entered a Narrow gut 4 Miles in Length, and then Came to a Carrying place 15 Rods a Cross, Here we Encampt.

27 . . . Cross'd the Carrying Place to a pond half a mile over, Came to a Carrying Place, one Mile, also to a Pond ¼ Mile Wide, then to a Carrying place 44 Rod, to a Pond 2 Miles Wide and Cross'd it. — and Came to the <sup>2</sup> Carrying place into Chaudear pond <sup>3</sup> 4½ Miles a Cross, we received orders here to Leave our Batteaus, and all march by Land, We here Divided our Provisions and gave every man his part, we march'd a Bout half a mile, and then encampt. Here I found a fine Birch Canoe Carefully Laid up, I Suppose by the Indian's.

HERE a Very unhappy Circumstance happen'd to us, in our March, Which proved very fatal and Mortifying to us all, Viz<sup>t</sup>—

When we were at the great Carrying place (just mention<sup>d</sup>) from the Dead River to Shodeer Pond we had the unhappy News of Colo, Enos, and the three Company's in his Division, being so Imprudent as to return back Two or three days before which disheartned and discouraged our men very much, as they Carri'd Back more than their part, or quota of Provision, and Ammunition, and our Detachment, before being but Small, and now loosing these three Companies, We were Small, indeed,

to think of entering such a place as QUEBEC, But being now almost out of Provisions we were Sure to die if we attempted to Return Back. — and We Could be in no Worse Situation if we proceeded on our rout — Our men made a General Prayer, that Colo: Enos and all his men, might die by the way, or meet with some disaster, Equal to the Cowardly dastardly and unfriendly Spirit they discover'd in returning Back without orders, in such a manner as they had done, And then we proceeded forward.

28 Very early in the morning my Company marched one Mr Ayres, the Cap<sup>t</sup> of our Pioneers a Gree'd to go with me in the Canoe, We took it on our Backs, and Car'y'd it a Cross the Carrying place, to a Small Stream, which led into Shodeer Pond, we put our Canoe in, Went down the Stream, my men marched down by Land — When we Came to the Pond, I found Cap<sup>t</sup> Goodrich's Company, who Could not proceed by reason of finding a River which leads into the Pond, which they Could find no way to Cross, my Company Came up and had thoughts of Building a raft — I told them I would go with my Canoe, and See if I could not find some place to Cross the River, going into the Pond and round an Island, where Cap<sup>t</sup> Goodrich was with Some of his Men who had Waded on, He informed me that he had made a thorough Search, and that there was no way to pass the River without Boats, the Land round here was all a Sunken Swamp for a Great distance, Cap<sup>t</sup> Goodrich, informed me also, that one of his Sergeants and another man, who were not well, had gone forward with a Batteau, and he did not doubt but I could find it not far off it now Began to be Dark, We discover'd a Light on Shore which Seem'd to be 3 Miles from us, Cap<sup>t</sup> Goodrich was almost perished with the Cold, having Waded Several Miles Backwards, and forwards, Sometimes to his Arm-pits in Water & Ice, endeavouring to find some place to Cross this River, I took him into my Canoe, and Carryed him over, and When we arrived where we Discover'd the Light, we found a good Bark-House with one man in it who was Left by our advanced Party for want of Provision to join his Company, We warmed ourselves but not finding Cap<sup>t</sup> Goodrich's Batteau here, we Sent my Canoe farther on to find it, if Possible, after being gone an Hour and a half, they return'd but had not found the Batteau, Cap<sup>t</sup> Goodrich and I were very uneasy all Night a Bout our men.

29 As Soon as it was Light we went to our Men and Began to Carry them over in my Canoe, But Lucky for us Cap<sup>t</sup> Smith's Batteau arrived which we hired to Carry our Men over, But after we had got them over this river, we had not marched above 50 Rod before we Came to Another River, Geting a Cross these Two rivers took up the Chief of the day, Before Sun Set we all arrived at the Bark-House Safe, where I slept last Night, But the men were very much fatigued here we encamp.

30 We Marched very early in the Morning, our Provisions [*torn*]

to be very Scant, Some Companies had but one pint of Flour for Each Man and no Meat at all, M<sup>r</sup> Ayres and I went down the Pond, in our Canoe, this Pond is 13 Miles Long, at the Lower end of the Pond, I met my Company where we found the Mouth of Shodeer River, Which Looked very wild, Here I Choose to walk by Land, and accordingly did a Bout Eight Miles, I was at this time very unwell, we encamp'd near a fall, where all the Boats that had attempted to Come down had overset except Colo, Arnolds, and mine, The Number of Boats that was overset here was Ten, one man was Drown'd, and a great Quantity of Baggage and Guns were lost.

31 We Started very early this morning, I am Still more unwell, than I was yesterday, We Carry'd our Canoe over a Carrying place of a Bout Half a mile, and put it into the River, the Same is very Rapid, Shole and Rocky, We pass'd another Carrying place to-day, we went down about 28 miles, then went on shore and Encamp'd, I saw Some of the men on foot to-night who I find are almost famished for want of Provisions.

Nov. . . 1 This merning we new Pitched our Canoe she being Somewhat Leaky, we have run several times on the Rocks going down falls, where I expected to have Stove her to pieces, we put her in and proceeded down the river, which Remains very rapid, and a Bounding in falls, we got down a Bout 30 Miles, by which time our Canoe got to be worn out, we went on shore and Encamp'd, Here I saw Some of the foot-men who were almost Starved, This day Cap<sup>t</sup> Goodrich's Company Kill'd my Dog, and another dog, and Eat them, I remain very unwell.

2 M<sup>r</sup> Ayres my Shipmate, Said he would Try to go down a Little further, in the Canoe and Carry our Baggage, I conclud<sup>d</sup> to march by Land, I set out and marched about four miles and met some Frenchmen with 5 oxen & Two Horses going to meet our People, although, I wanted no Provision myself, yet knowing, how the Poor men were suffering for want &<sup>1</sup> seeing we were like, to Come to some Inhabitants, it Caus<sup>d</sup> the Tears to Start from my Eyes, before I was apprized, I proceeded about four miles farther, and Came to a Large fall, where we found a good Canoe, Here was a Carrying place one Mile long, We Carried a Cross the Carrying place, and put in. below the falls, where we found Two Indians with Some Provisions for our men, they left their Provision with some of our men, and went down with us, I got into their Canoe, and one of them into our's, the river being very rapid, & Shoal, we found it very difficult to pass. — we run down about eight miles, and to our Great Joy Espy'd a House, where we arrived at 4 . . O . . Clock P . M : at 5 . . . O . . . Clock Lieu<sup>t</sup> Hutchins, Ensign. Thomas and 50 of my men arriv'd, with Cap<sup>t</sup> Smith's Company which were the

first Company that arrived, Here, Colo— 3<sup>1</sup> Arnold had Provided provisions for us against we arriv<sup>d</sup>. We Stay'd here one night, this morning our men proceed'd down the River, tho, in poor Circumstances, for Travelling, a Great Number of them being Barefoot, and the Weather Cold and Snowy, many of our men died within the last three days,<sup>2</sup> from here to QUEBEC, is Seventy miles, I hir'd an Indian to Carry me down the River 6 miles to where Colo: Arnold was, where I found 22 Indians who Engaged with Colo: Arnold for 40 / A month, here I Stay'd all night, By Colo: Arnolds advice being Snowy, I took a Puke this night which did not operate much.

4 The Weather Snowy I Stay'd here to-day, Major Biggellow, Doctor Senter, and some others stay'd here Likewise all night.

5 The Weather is very Clear and pleasant for this season of the year, Major Biggaloe, and I hir'd each of us a Horse to go down the River 6 miles, and Came to a Tavern, where we had Provisions Served out for the Men, the Country here is Tolerable good Land, and Considerably Settled on Both sides of the River, the People are very Ignorant, but<sup>3</sup> seem to be very kind to us, at evening Charles Hilton, and Charles Burget, a French Lad, Inlisted, at Fort Western, who was a native of Canady, Came back for me with Two Horses, we Stay'd here all night.

6 I hir'd an Indian to Carry me down the River, 9 Miles, to one Sonsosees, a French-mans, one of Charles Burgets relations, where I hir'd Lodgings and took my Bed Immediately, I was this time in a High fever. I kept the Two Charles<sup>4</sup> to take Care of me — I will now with my Pen follow our Main Body, they have now proceeded as far as S<sup>t</sup> Mary's the middle Parish of what is Commonly Call'd Sattagan, here is a very good Church, and a pleasant Country — our people are Supply'd with provisions at Several places By the way, but being in Great Hurry, and having but Little time to provide, necessaries, our men were but Very poorly supply'd in General, the Inhabitants appears to be very kind, but ask a very Great price for their Victuals.

7 Our Troops<sup>4</sup> Proceeded as fast as possible, they<sup>5</sup> followed the river Shodear down from the first Inhabitants about 36 miles, and then Turn'd to the Eastward, and left the river, had to pass thro, a wood 15 Miles where there is no Inhabitants, and at this time of the year it is Terrible Travelling, by reason of its being Low Swampy land, our people Carry'd Twenty Birch Canoes a Cross these woods, in order to Cross the River S<sup>t</sup> Laurence in. — as we Suppos'd the Boats near

Quebec, would be in the Hands of our Enemies after we had got thro, these Woods, we arrived at St Henry's, a Considerable Parish with a Church, we pass'd several other Small parishes, before we arrived at Point, Levi, where the main Body of our Detachment, arrived the 9<sup>th</sup> Day of November. But so fatigued, that they were very unfit for action, a Considerable number of our men are left on the road Sick or worn out with fatigue & hunger.<sup>1</sup>

On our arrival we found Two Men of war Lying in the river Between Point-Levi, and Quebec, and Guard Boats passing all night, up and Down the River.

{ 10 } Our men lay at Point Levi, nothing extraordinary happen'd  
 { 11 } except that a Deserter from Quebec Came to us who Inform'd  
 { 12 } us that Colo: M<sup>r</sup>Laue had arrived from Sorrell, with his Regi-  
 { 13 } ment, and our men made A prisoner of a young Man, by the Name of M<sup>r</sup>Kensey, Midshipman of the Hunter Sloop War — On the evening of the 13<sup>th</sup> Our men Embarked on Board 35 Canoes, and by four of the Clock, in the morning we had Landed all our men that were fit for duty which was about 500.. at Woolfs Cove, entirely undiscover'd, altho, we pass'd Between Two Men of War, who had Guard Boats Cruising all Night, after Parading our men, and sending a Reconitring party towards the City, and placing Some Small Guards, we marched a Cross the plains of Abraham, and took possession of a Large-House formerly own'd by General Murray, Now by Mg<sup>r</sup> Codwell, and some Houses adjacent which made fine quarters.<sup>2</sup>

14 After reconitring, proper Guards being placed to Cut off all Communication from Between the Town and Country, at 12 . . . O . . Clock the Enemy surprized one of our Centinels, and made him Prisoner, soon after our Main Body, Turn'd out and march'd within Half a mile of the Walls on the Height of Abraham, Immediately after being full in the'r view, we gave them Three Huzza's, but they did not Chuse to Come out to meet us, this afternoon, the Enemy set fire to Several Houses in the Suburbs, at Sun set Colo: Arnold sent a Flag to Town Demanding the Possession of the Garrison in the Name, and in behalf of the united American Colonies, But the Flag being fired upon was obliged to Return. We lay Constantly upon our Arms to prevent a Surprize. We are by a Gentleman from Quebec inform'd, that we may expect an attack very soon from the Garrison.

15 Colo: Arnold sent a flag to Demand the Town again this morning, thinking the Flag's being fir'd upon Yesterday was done thro. mistake, but was Treated in the Same manner, as yesterday, This morning an express was sent off to General Montgomery, at 12 . . .

9 Now I will give Some account of Matters respecting myself I Still remain sick at Sattagan at the House which I heretofore mention'd taking up Lodging at, from the 6<sup>th</sup> Day of November to the 28<sup>th</sup> before I went out of the House, the first Ten days I had a Violent Fever, and was Delirious the Chief of the time, I had nothing to assist<sup>1</sup> Nature with, but a Tea of Piggen plumb Roots, and Spruce, as there are no Doctors in these parts nor any Garden Herbs, my fever abated in some Degree, but did not leave me, I had a violent Cough, and lost my flesh to that Degree, that I was almost Reduced to a perfect Skeleton, and so very Weak that when I first began to set up for Several days, I could not go from the bed to the fire with a Staff without being

<sup>1</sup> " Assist," in the hand of Captain Dearborn, takes the place of a word erased.

held up, I heard that our people had got Possession of Quebec, and as I could not perceive that I gain'd any Strength, and my fever remain'd upon me very high, at this time I concluded to send Charles Burget, my french Lad to Quebec, to see if he could procure me something from an Apothecary to help my Cough and to assist<sup>1</sup> nature, in Carrying off my fever. he went and in four days return'd, but to my great mortification Brought nothing for me but bad News, which was, that our people had not got Possession of Quebec, but had March'd from Quebec up the River, towards Montreal, hearing this, Struck a damp upon my Spirits which reduced them something Low, But through the kind hand of Providence, I amend'd tho, very Slowly, the first day of December I rode out in a Carry'al with my Landlard, and found myself much The better for it, tho, I was so weak now that I Could not walk from the Carriall into the House without help, I now began to be very uneasy and wanted to be with the Army and the Seventh day I set out in a Carriall to Quebec, and the 9<sup>th</sup> day I Cross'd the River S<sup>t</sup> Laurence, I join'd my Company who Seem'd very Glad to see me, they told me that they had been inform'd by one of our men that Came not many days since from Sattagan that I was Dead, and that he saw Charles Hilton, and Charles Burget making a Coffin for me.

I will now return to Matters respecting our Army, We had a body of men that began to build a battery Last night on the height of Abraham about half a mile from S<sup>t</sup> Johns Gate, and we had five small mortars order'd into S<sup>t</sup> Roach's near the Walls of Quebec, to Heave Shells into the City To-Night the Artillery are to be Cover'd with 100 Men, they Threw about 30 Shells this Night.

10 The enemy began a heavy Cannonade upon our Camp this morning and Continued it all day. our people hove shells this Night from S<sup>t</sup> Rock's, & a party was to work on the Battery — The enemy return'd a few Shells to us last Night & Some Cannon Balls, but no person received any hurt except an old Canadian Woman who was shot thro: the Body with a 24<sup>th</sup> Shot.

11 This morning one of our men lost his way in the Storm and had got under the Walls and was fir'd upon by the Centinel before he knew where he was, and had received a Shott through the thigh, but got away and is in a fair way to recover. The enemy has kept up a faint Cannonading all this day, this night our Train of Artillery Threw 45 Shells into the Town, and had a party to work on the Battery, the Enemy hove a few shot and Some shells at our people who were to work on the Battery, but did no damage, the Weather now is Exceeding Cold.

12 The Platforms are almost ready for the Guns at the Battery, the Weather Still remains very Cold.

<sup>1</sup> "Assist," in the hand of Captain Dearborn, takes the place of a word erased.

13 . . . 14 We have open our Battery, have several men kill'd & wound'd. This morning before sun rise, our Battery, Began to Play upon the Town, we had 5 . . 12 Pounders and a Howeteer Mounted, all very well attended, there was a very heavy fire from the Town upon our Battery — after our Battery had play'd one hour they Ceas'd and General Montgomery sent a flag to the Town but it was refus'd admittance, But after some discourse with some officers upon the Ram-part return'd, at 2 . . O Clock P : M : our Battery began to play, again and our Mortars at the same time were at work in S<sup>t</sup> Rock's, we have 50. Shells into the Town to-day, there was a very heavy Cannonading kept up from the Town, we had Two men kill'd To-day at our Battery, and one of our Guns damaged and our Howeteers dismounted, it is now in agitation to Storm the Town, which if resolved upon I hope will be undertaken, with a proper sense of the nature and Importance of such an attack and vigorously Executed.

16 In the evening began to Cannonade, Colo: Arnold's quarters were Struck by Several Cannon shot, upon which he thought it best to remove to other quarters, one of our men was Shot through the body with a grape shot — to-day his life is despair'd of, a Counsel was held this evening by all the Commission'd officers belonging to Colo: Arnolds detachment. — A majority of which was for Storming the Garri-son of Quebec as soon as the men are well equip'd with good arms, Spears, hatchets, Hand, granades &c.

17 Nothing extraordina'y or remarkable, to-day the weather is very Cold and Snowy.

18 Nothing extraordinary to-day the weather Still remains very Cold, my Company are order'd out of the Hospital, the room is wanted for a Hospital for the use of the sick, we took our quarters on the opposite side of the River S<sup>t</sup> Charles, at one M<sup>r</sup> Henry's, a presbyterian minister which place is about one mile from the Hospital.

19 I began to recover my Strength again & have a fine appetite.

20 The weather Continues Still Cold, preparation is making for the intended Storm, several of our men have the small Pox.

21 We are order'd every man of us to wear a hemblock sprig in his Hat, to distinguish us from the enemy in the attack upon Quebec.

22 Matters seem ripening fast for a storm, may the blessing of Heaven attend the enterprize.

23 This evening all the officers of our detachment met at and are visited by the Gen<sup>l</sup> at Colo: Arnolds Quarters.

24 This evening the Rev<sup>d</sup> M<sup>r</sup> Spring preach'd a sermon in the Chapel in the Gen<sup>l</sup> Hospital, which is exceeding elegant inside, is Richly deco- rated with Carved and guilt work.

25 Colo: Arnolds detachment is Paraded at 4 Clock P : M : Gen<sup>l</sup> Montgomery attended and address'd us on the Subject of making the

attack upon the Walls of Quebec, in a very sensible Spirit'd manner which greatly animated <sup>1</sup> our men.

26 Nothing Material happen'd to day the weather is Still cold.

27 This morning the Troops assembled by order of the General, with a design to attack the Town of Quebec, and were about to march, when there Came an order from the Gen<sup>l</sup> to return to our quarters by reason of the weather's clearing up which render'd it improper for the attack.

28 The following Came out in Gen<sup>l</sup> orders this day — Viz<sup>t</sup>

The Gen<sup>l</sup> had the most Sensible pleasure in seeing the good disposition with which the Troops last night moved to the attack, it was with the greatest reluctance he found himself Call'd upon by his duty to repress their ardor, but should hold himself answerable for the loss of those brave men whose lives might be Saved by waiting for a favourable opportunity.

29 . . . Nothing remarkable or extraordinary to-day.

30 I have the Main-guard in S<sup>t</sup> Rock's, I came on last evening our Artillery hove 30 Shells last night into Quebeck, which were answer'd by a few shells and Some Grape shott, early this morning the Garrison began a very heavy Cannonade upon all parts of our Camp within their Reach, Particularly on those quarter'd in S<sup>t</sup> Rock's, and upon the Guard-House which is within musquet <sup>2</sup> Shott of the Walls, but partly under the Cover of a hill — about sun'set this afternoon, the the Garrison brought a gun to bear upon the Guard-house much more exact, and better level'd, than any that they shott heretofore, and within the Space of 15 minutes they knocked down the three Chimneys of the Guard-house over our heads, but could not get a shot into the lower Rooms where the Guard kept, at 10 . . O Clock this evening I went home to my quarters.

31 This morning at 4 . . O Clock I was inform'd by one of my men that there was orders from the Gen<sup>l</sup> for making the attack upon Quebec this morning, I was surprized that I had not been inform'd or notified Sooner, But afterwards found it was owing to the neglect of the Serg<sup>t</sup> Major, who excus'd himself by saying he could not get across the River, by reason of the Tides being so exceeding High, however I gave orders to my men to prepare themselves immediately to march, but my Company being quarter'd in three different Houses, and the farthest a mile from my Quarters, and the weather very Stormy and the Snow deep, it was near an hour before I could get them all Paraded & Ready to March, at which time I found the attack was began by the Gen<sup>l</sup> party, near Cape Diamond, I had now two miles to march, before we Came to the place where the attack was made, The moment I march'd

<sup>1</sup> Two words are erased.

<sup>2</sup> " Musquet " is interlined in a different hand.

I met the Serg<sup>t</sup> Major who inform'd me that Colo: Arnold, had march'd, and that he cou'd not Convey intelligence to me Sooner, as there was no possibility of Crossing the River, we now march'd or rather ran as fast as we could, when I arrived at S<sup>t</sup> Rock's I met Colo: Arnold Wounded Borne, and brought away by Two men, he Spoke to me and desir'd me to push on forward, and said our people had possession of a 4 Gun Battery. — and that we should Carry the Town, our Artillery were Incessantly heaving Shells, with 5 Mortars from S<sup>t</sup> Rock's, and the Garrison were heaving shells and Balls of all Sorts from every part of the Town, my men Seen'd to be in high Spirits, we push'd forward as fast as possible, we met the wounded men very thick.

We Soon found ourselves under a very brisk <sup>1</sup> fire from the walls & Picketts, but it being very dark & Stormy, and the way we had to pass very Intricate & I an utter Stranger, to the way. we got bewilderd, altho, I met Several men, and Some officers who said they knew where our people were, yet none of them would pilot us untill I met one of Colo: Arnolds Waiters who was endeavouring to forward some ladders who said he would shew me the way, and altho, he was well acquainted with the way, he having lived some years in Quebec, he miss'd it and Carry'd us quite wrong, but when he found his mistake he declared he did not know, where we were, and he immediately left us, we were all this time harrass'd with a brisk fire from the Picketts, which we were Sometimes within a stones throw of, I now thought it best to retreat a little and then make a new attempt to find the way, I accordingly order'd Lieu<sup>t</sup> Hutchins who was in the Rear to retreat, to a Certain place a few rods back, he Accordingly retreated, and in retreating he had to pass very near the Picket, under a very brisk fire, it now began to grow a little light, the Garrison had discover'd us and Sent out Two hundred men, who took possession of Some houses which we had to pass before we could discover them, and as Lieu<sup>t</sup> Hutchins retreated they Sallied down in a lane from the Wall, I divided my Company about the middle, I <sup>2</sup> now again attempt'd to find the way to the main body, It being now so light that I thought I could find the way, I order'd that part of my men that were with me, to follow me, we pushed on as fast as possible, but the enemy took some of my rear, and kept a brisk fire upon us from the Houses, which we had pass'd, when I Came to a place where I could Cover my men a little, while I could discover where our main body was, I heard a shout in Town, which made me think that our people had got possession of the Same, the men were so thick within the Picketts, I was at a Stand to know whether They were our men, or the enemy, as they were dress'd like us, I was Just about to Hail them, when one of them hail'd me, he asked who I was (I was

now within Six rods of the Picketts) I answer'd a friend, he asked me who I was a friend to, I answer'd to liberty, he then reply'd God-damn you, and then rais'd himself partly above the Pickets, I Clapt up my Piece which was Charged with a ball and Ten Buck shott Certainly to give him his due, But to my great mortification my Gun did not go off, I new prim'd her, and flushed and Try'd her again, but neither I, nor one in Ten of my men could get off our Guns they being so exceeding wet, They fired very briskly upon us from the Picketts, here we found a great number of wounded men, and some dead, which did belong to our main body ; I order'd my men to go into a lower room of an house, and new Prime their Guns, and prick dry Powder into the Touch-holes, we Now found ourselves Surrounded by Six to one, I now finding no possibility of getting away, my Company were divided, and our arms being in such bad order, I thought it best to Surrender after being promis'd good quarters and Tender usnage, I told my men, to make their escape, as many as possibly could, and in the Confusion a considerable Number did effect the Same, Some of them after they had given up their arms, we were now marched to Palace Gate, on my way there to my Surprise, I found Lieu<sup>t</sup> Hutchins, Ensign Thomas, & about 15 or 20 of my<sup>1</sup> men under Guard, who were march'd to Palace-gate with me, we were Carried to a Large Convent and put under the Care of a strong Guard, on my way to this House I was inform'd that our people had<sup>2</sup> got possession of the Lower Town.

It appears at this time, according to the following Arrangement, that my Comp'y which may be seen hereafter, in the<sup>3</sup> attack upon the Town was intended to be the second to the front.<sup>3</sup>

THE GEN<sup>l</sup> gave orders last evening for the Troops to assemble at Two O : Clock this morning in order to Make the attack, at 5 . . O . . Clock in the following manner viz<sup>t</sup>

The Gen<sup>l</sup> with the first . . 2 . . & 3 . . Battalians of New-york Troops was to attack the Southerly part of the Lower Town, at a place Call'd the Pot-ash.

Colo : Arnold with his detachment and part of Cap<sup>t</sup> Lambs Company of Artillery, with one Field-piece, was to march through S<sup>t</sup> Rock's down between the river Saint Charles, and the Picket of the Garrison to the North part of the Lower Town Call'd the South-ax-Matillo, and there attack a 4 Gun Barrier in the following order, a Subaltern with 24 Men was to be an advanced party, Cap<sup>t</sup> Lambs Artillery next with a six pounder mounted on a Sled, then the main-body, Cap<sup>t</sup> Morgan first. my Company next, Then Cap<sup>t</sup> Smith's, then Captain Hanchet's, then Cap<sup>t</sup> Hubbard's, Then Cap<sup>t</sup><sup>4</sup> Topham's, then Cap<sup>t</sup> Thayer, then Cap<sup>t</sup>

Ward's, then Cap<sup>t</sup> Goodrich's, & then Cap<sup>t</sup> Hendrick's, Colo : Arnold in the Front Colo : Green and Maj<sup>r</sup> Biggellow in the Centre, and Maj<sup>r</sup> Meigs in the Rear.

Colo : Livingston, & Maj<sup>r</sup> Brown with some of Maj<sup>r</sup> Brown's men & some Canadians were to make a feint upon the upper Town & at the Same time, were to Set fire to St John's Gate with a Certain quantity of Combustibles prepar'd for that — purpose — The Gen<sup>l</sup> with his Party began the attack, the Gen<sup>l</sup> with his Aid-de-camp, and Cap<sup>t</sup> Shearman & the Carpenters, who served as Pioneers advanced in the front, The Carpenters Cut the Picketts, the Gen<sup>l</sup> with his own hands pull'd them down & enter'd. — after the Gen<sup>l</sup> had enter'd, he Call'd to his men to Come on, they did not advance as quick as he thought they might, he Spoke to them again in the following moving Terms, saying come on my good soldiers, your Gen<sup>l</sup> Calls upon you to Come on, The Gen<sup>l</sup> was now very near a Battery of Several Cannon Loaded with grape shott, some of which were unfortunately discharged, and which Cut down our Brave Gen<sup>l</sup>, his Aid-decamp, Cap<sup>t</sup> McFerson, Cap<sup>t</sup> Shearman, & three or four Privates.

The Guards immediately after firing the first Cannon quited their post and Ran, which gave our Troops a fair opportunity to enter, But instead of entering Colonel Campbell, who now took Command, order'd a retreat, which was a very unlucky retreat for us, — A few minutes after the Gen<sup>l</sup> made the attack on his part, Col : Arnold made an attack with his party, but instead of making the attack in the manner proposed, which was, when the advanced party had got within musket shot of the Barrier, they were to Halt and then open to the right and left, and the Artillery to fire three shott, upon the Barrier and then the advanced party were to fire into the Port Holes, Cap<sup>t</sup> Morgan's Company to pass round a wharf on which the Barrier was Built, and Come in upon the back of the Guard, while we Scall'd the Barrier with Ladders, but the Snow being so deep and the way so difficult to pass — The Artillery were obliged to leave the Field piece behind, & Colo : Arnold, with the advanced party rushed up to the Barrier and kept such a hot fire in at the Port-holes, that the enemy Could fire but one of their Cannon, before Cap<sup>t</sup> Morgan and some of his Company, and some others Scaled the Barrier, and took the Guards Prisoners Consisting of a Cap<sup>t</sup> & 30 men, Colo : Arnold was wounded in the Legg in the first of the attack and was Carried Back, our men enter'd the Barrier as fast as possible. — But the Main body had not come up yet by reason of missing their way, and were obliged to Counter-march twice before they could get right, there was now a second Barrier to force, where there two Cannon placed, Charged with Grape'shott, our men who had enter'd the first Barrier, were now waiting for the main-body to come up, but before the main-body had got into the first Barrier, the enemy found that

the Genl Party had retreated, and the whole Garrison had Turn'd their attention upon our party, and had taken possession of the Houses almost all round us, and had mann'd the Barrier so strong that when our people made an attempt to force it, we were repulsed, and obliged to shelter ourselves in the Houses, as well as we could, I say, we altho, I was not at this place, but in order to distinguish our Troops from the Enemy, our people being Surround'd By Treble their Number, and was under a very hot fire, it was now Motion'd by some, whether or no, it would not be most advisable to retreat, others immediately repli'd who knows but <sup>1</sup> our Genl <sup>1</sup> with his party, is in some part of the Town, and if we go, and leave him behind, he and his party will most certainly be Cut off, It was then concluded upon to send somebody off in order to learn what was become of our Genl and his party, and agreed to make a stand while night, Immediately after entering the Barrier, Capl Hendrick, Lieut Humphrey's, and Lieut Cooper, together with a number of Privates was kill'd Just as this resolution took place, the same party that took me followed after our main-body, and Came upon their Rear, but our people finding the impracticability of a retreat, and hearing nothing from our Genl's party, & having lost about one hundred men out of less than five hundred, it was <sup>2</sup> thought it most prudent to surrender, upon the encouragement of being promis'd good quarters and Tender usage, It was by this time 10 : O Clock A : M : . . . The officers were Carried to the main Guard house and the Soldiers to the House where I was Carried first, I with my other officers, were Carry'd to the main, guard-House to the other offic'ers, where we had a good Dinner, and a plenty of several sorts of wine, in the afternoon we were Carry'd to a Large Seminary, and put into a large room in the fourth Story from the ground.

1776 January 1 I begun this year in very disagreeable Circumstances, it being the first day I ever Spent in Confinement except by

sickness, but I hope I shall be enabled to bare it with a becoming fortitude. Considering it to be the fortune of War.

2 Gen<sup>l</sup> Montgomery's body was taken up to day, and brought into Town.

3 Gen<sup>l</sup> Carlton gave Major Meigs Leave to go out after our Baggage to-day.

As the Small pox is prevalent in this Town, it is thought best for as many of us, as had not had the Small Pox to be Innoculated immediately . . . Accordingly sixteen of us Concluded to apply to some Physician to inoculate us, Doct<sup>r</sup> Bullen was recommended to us as being skilful in Innoculation, whom we apply'd to, to day, & he engag'd to Innoculate us, and gave us some preparatory Medicines to day.

4 . . We were this day Innoculated, . . . Gen<sup>l</sup> Montgomery's body Was Inter'd to-day, in a very decent manner by order of Gen<sup>l</sup> Carlton.

5 We that have been inoculated, are removed to-day into another Room, & have the liberty of walking into another room adjoining to that we Lodge in.

6 . . . Maj. Meigs return'd to-day, with some part of our Baggage but a Considerable part of it is not Brought in . . four of our men are tolerated to wait upon us.

7 . . . We purchas'd some poor mutton to make Soop of at one Pistereen ꝑ pound.

8 We had a very good Collection of Books sent us by several friends in Town, in the perusal of which, we pass many of of our dull hours.

9 To-day I wrote a letter to send to my wife, but find no opportunity of sending it.

10 This day M<sup>r</sup> Levius, who was formerly a Judge of our Court, came to see me, and offer'd to supply me with any thing I stood in need of, that was in his power, he furnish'd me with some Cash, and Two shirts, and said he would have me let him know, if I should hereafter be in want of any thing, as he would be ready to oblige me therewith if within the Sphere of his Influence.

11 . . 12 . . 13 Nothing extraordinary. — The Field officier of each day, Generally visits us, the Guard that is set over us, is a subalteru and Twelve men — Our mens Baggage is sent for to-day.

also I begin to feel the symptoms of the small Pox.

Lieu<sup>t</sup> Savage, who was one that was Innoculated with me, for the Small pox, has it the natural way, he having taken it before he Came into Quebec, & is very bad.

14 I begin to break out with the Small Pox.

15 . . 16 . . 17 . . 18 : 19 Nothing extraordinary the Small Pox is Turning, the greatest of my suffering is hunger since I was Innoculated, one of our Waiters who was Innoculated after he Came to wait upon us has

had it the Natural way, he having had it before and broke out with it in two days, after he was Inuoculated. — and is dead, Lieu<sup>t</sup> Savage is getting better, Nothing very extraordinary happens from this time to the 10<sup>th</sup> of February — when Major Meigs is Carried to the Hottel-dieu — which is a nunnery &c Hospital, he having a swelling under his arm, and the remainder of us who have had the small pox are removed into the room which we were first put into with the other officers, we spend our time in reading in the forenoon, and at Cards in the afternoon, and endeavour to make ourselves as happy as possible under our present disagreeable Circumstances, We hear a great deal of bad News, but none that's good — We are told that General Washington, with his army made an attempt to Storm Boston, but had lost 4000 men, some kill'd and the rest were drown'd, we have been inform'd of Montreal's being retaken by the Canadians four or five times — We are told that Gen<sup>l</sup> Lee, in marching to New-york with 3000 men lost them all to 300, by dissention for want of Cloathing.

We are inform'd that Gen<sup>l</sup> Amherst is arrived at New-york with 12000 Troops, we are likewis<sup>e</sup> told that the paper Currency has lost its value, and that the Congress is impeached with dishonesty by the people, but we give no Credit to any such Rumours.

March 10 We had a square of Glass put into the door that opens into our room, and two Centinels stands looking in all the time, and a lamp is kept burning all night — in our room, and Two Centinels stands under our window who are order'd to fire upon any of us who attempted to to open either of the windows in the night, no person is allowed to come into our room but the Field officer of the day, and the officer of the Guard — not even our washer-woman.

16 Being indispos'd I got liberty to go to the Hottel-dieu to day.

I remain'd at the Hottel-dieu, until the 31<sup>st</sup> day of March nothing very extraordinary happen'd during this time, I recover'd my health in a few days after I got here. I saw one of my men here who inform'd me that all my Company has had the Small Pox, and not one of them died with it, which I think is something remarkable, we are all, now order'd to the Seminary, we are told for want of wood in the Garrison.

April 1 We are inform'd that our men who are prisoners in this Town, were last night detected in the execution of a plan in order to make their Escape, for which reason, they are all put in Irons — We have two Small Bed-rooms allow'd us to sleep in being too: much Crowded in one room.

4 This day our people open'd a four Gun-Battery, at Point Levi and play'd upon the Town. — there was now a very heavy Cannonading from the Town, upon our Battery every day, there was six or seven Balls shot from our Battery into the Garden under our window, & three or 4 of them struck against the Seminary.

25 In the Course of this month there has been two or three alarms in Town, the Garrison thought that our people were about making an attack.

Cap<sup>t</sup> Thayer was detected by the officier of the guard to-day in attempting to open a door that led from the Passage to the necessary, into an upper loft, and was Carried on board a vessel and put in Irons there is Bolts & Locks put upon our doors and we are order'd not to go out of our respective Lodging Rooms after dark until sometime after sun-rise.

28 This day Colo : M<sup>c</sup>Lane, M<sup>r</sup> Lanodear the Gen<sup>l</sup> Aid-decamp and several other officiers, Came into our room & took Cap<sup>t</sup> Lockwood, & Cap<sup>t</sup> Hanchet and Carried them off, witho<sup>t</sup> saying any thing to them, but we heard since it was reported that they had Tamper'd with a Cintinel, they were likewise put in Irons on Board the Vessel where Cap<sup>t</sup> Thayer was —

29 Our people open'd a Two Gun Battery to-day upon the opposite side of the Town from Point Levi a Cross the river S<sup>t</sup> Charles and play'd upon the Town, we are likewise inform'd that they are about opening another Battery on the height of Abraham, there is a Constant Cannonading on both sides every day.

May 4 As I was laying down my book this evening about Ten of the Clock, preparing for bed, I heard a Centinel hale a ship, which very much surprized me, as I expected some relief had arrived, But I soon was undeceived by a brisk fire of Cannon, and Small arms, & the ringing of the alarm Bell, as also hearing a great confusion in all parts of the Town, we now Concluded, that our people made an attack upon the Town, we soon discover'd a fire ship in the River, near the Lower Town, which was sent as we since heard, in order to set fire to the shi'ping in the Lower Town, & which must Consequently set fire to the Lower Town, & at the same time we heard Gen<sup>l</sup> Worster with his Troops had drawn up near the Town, with their Ladders ready to Scale the walls, when ever the Lower Town was on fire, but as the fireship fail'd the attack was not made.

6 This day forenoon, three ships arrived from England to the Great Joy of the Garrison, but much to our mortification as we now gave over all hopes of being retaken, and Consequently of seeing our families again until we had first taken a Voyage to England and there Tryed for rebels, as we have often been told by the officiers of the Garrison, that, that, would be the case.

The ships that have arrived Brought the 29<sup>th</sup> Regiment with them, who landed, and at 12 . . O Clock, this Regim<sup>t</sup> with 5 . . or 6 Hundred of the Garrison marched out of Town, and two of the Frigates which arrived to-day put up the River, and an arm'd Schooner. Towards Night, the Troops return'd back to Town, and said they drove all the Yankees off. — and took a large quantity of Cannon, ammunition, and Baggage

from the Americans, which indeed proved too True, But from the accounts we have had since from Lieuten<sup>t</sup> McDougle, who was taken in a schooner at Point Aux Tremble by the Two Frigates & an armed Schooner, that went up the River the day they arrived, we find that Gen<sup>l</sup> Woosters Troops began to decamp, the day before the Troops arrived, by hearing there was a Large Fleet in the river, but what Baggage they left was not very Considerable, there are more or less ships coming in daily, we are inform'd that there are 15000 Men destin'd for Canada, the 47 Regiment has arrived here from Boston, who bring Acc<sup>t</sup> that Gen<sup>l</sup> How, with his Troops has evacuated Boston & Came to Hallifax, pursuant to orders received from home.

10 A party marched out to day towards Montreal, we have Liberty to walk the Seminary Garden for our recreation today, which which is a very excellent Garden for Canada.

Maj<sup>r</sup> Meigs has obtain'd Liberty of the Gen<sup>l</sup> to go home to New-Eng<sup>d</sup> on his Parole.

13 M<sup>r</sup> Levius Came to see me to-day, & inform'd me, that if I would endeavour to assist him, in getting his family to him from Portsmouth, he would use his influence w<sup>th</sup> the Gen<sup>l</sup> to get leave for me to go home with Maj<sup>r</sup> Meigs On Parole, but he told me I must not depend much upon going as he thought it very uncertain whether he should succeed or not, notwithstanding I depended much upon going, as I thought his influence with the Gen<sup>l</sup> would be great, he being one of the Counsel, Judge of the Admiralty, & Judge of the Superior Court at Montreal.

14 Major Meigs was sent for to wait upon the Gen<sup>l</sup> who inform'd him the Vessel would sail in a day or Two, in which he was to go to Hallifax, when the Major Came back, & I hearing nothing of M<sup>r</sup> Levius's obtaining leave for me to go home, I then began to despair, and accordingly wrote a letter to my wife to send by the Major.

16 At one O Clock P: M: M<sup>r</sup> Levius Came to see me, & to my great Joy, inform'd me that the Gen<sup>l</sup> had given his Consent for me to go home, on Parole, & that we should sail this afternoon, — at 5: of the Clock the Town Major Came for Major Meigs & myself, to go to the Lieu<sup>t</sup> Governor. to give our Parole, the verbal agreement we made was, that if ever there was an exchange of Prisoners, we were to have the benefit of it, and until then we were not, to take up arms against the King. after giving our Paroles from under our hands, we were Carried before the Gen<sup>l</sup> who appear'd to be a very humane tender-hearted man. after wishing us a good Voyage, & Saying he hoped to give the remainder of our officers the Same Liberty, he desir'd the Town Major to Conduct us on Board, we desir'd leave to visit our men in prison but could not obtain it.

after getting our baggage & taking leave of our fellow prisoners we went on board a schooner, which we are to go to Hallifax in, but as she

did not sail today, we were invited on Board the Admirals ship, where we were very genteely used, and Tarried all night.
